

# Top 50 Private Companies

The FTSE Women Leaders Review has determined the criteria for the list of Top 50 Private Companies to be those companies that have an annual turnover in excess of £1 billion and/or an employee workforce in excess of 4000 employees. In addition, the company needs to be headquartered in the UK, with neither the company, nor the parent organisation, listed on any UK or overseas stock exchange. The company may also make a significant contribution to UK business and the economy and/or have a significant UK consumer profile.
